

2021

# ANNUAL REPORT

2021 was an exciting year for Inspire! We reached 33 students with our housing program, weekly therapy sessions, and in-person life skills classes. We were thrilled to expand our Inspired Scholars program to give ten foster youth attending various 4-year universities stipends of \$500 per month and professional coaching sessions. As we marked the second year of this program, we also celebrated with one of our Inspired Scholars who graduated from Norco College and transferred to UC Berkeley. In 2021, we launched WeCare Packages, providing self-care kits to 200 foster youth attending college to encourage them before their finals.

We are grateful to everyone who attended our in-person gala, Thanksgiving dinner, Christmas party and to everyone who supported us this past year. We look forward to what 2022 has in store as we help more students reach their education, employment, and personal goals.

# Our Programs Impact.

By providing opportunities in our three pillars: Stability, Education and Employment, and Life Skills, we help our students break the cycle of abuse and poverty. **In 2021:**

**200** WeCare packages delivered to foster students at four different universities .

**82%** of our students persisted in their college education, exceeding our goal.

**50%** of students joined in our savings match program, totaling \$10,000.

**22** life skills classes were provided to students.

**500%** increase in Inspired Scholars, from 2 to 10 students.

**100%** of our students were employed, meeting our goal

## We thank you for your continued support.

Our vision is to create a future where all youth have the resources they need to be self-sufficient and make positive life choices. In 2022 we aim to:

- Deliver 200 WeCare Packages
- Increase Inspired Scholars from 9 to 15
- Achieve 85% persistence in school for our students
- 100% employment for our students
- 65% of students participating in the savings match program
